		IMPORTANT NOTIFICATION	
International application n° PCT/FR2005/000479	International filing date (day/month/year) 28/02/2005	(Earliest) Priority date (day/month/year) 27/02/2004	
Applicant : COMPAGNIE GERVAIS DANONE et al.			
<p>1. The applicant is hereby notified that the International Preliminary Examining Authority transmits herewith the international preliminary report on patentability and its annexes, if any, established on the international application.</p> <p>2. A copy of this report and its annexes; if any, is being transmitted to the International Bureau for communication to all elected Offices.</p> <p>3. Where required by any of the elected Offices, the International Bureau will prepare an English translation of the report (but not of any annexes) and will transmit such translation to those Offices.</p> <p>4. REMINDER</p> <p>The applicant must enter the national phase before each elected Office by performing certain acts (filing translations and paying national fees) within 30 months from the priority date (or later in some Offices) (Article 39(1)) (see also the reminder sent by the International Bureau with Form PCT/IB/301).</p> <p>Where a translation of the international application must be furnished to an elected Office, that translation must contain a translation of any annex to the international preliminary examination report. It is the applicant's responsibility to prepare and furnish such translation directly to each elected Office concerned.</p> <p>For further details on the applicable time limits and the requirements of the elected Offices, see Volume II of the <i>PCT applicants' guide</i>.</p> <p>The applicant's attention is drawn to Article 33(5) which provides that the criteria of novelty, inventive step and industrial applicability described in Article 33(2) to (4) merely serve the purposes of international preliminary examination and that "any Contracting State may apply additional or different criteria for the purposes of deciding whether, in that State, the claimed invention is patentable or not" (see also Article 27(5)). Such additional criteria may relate, for example, to exemptions from patentability, requirements for enabling disclosure, clarity and support for the claims.</p>
